THE SITUATION

MIRPURKHAS, BADIN, UMERKOT, THATTA AND SANGHAR

During the last month monsoon rain, Sindh faced seven spells of moderate to heavy rains. These heavy rains affected several districts of Sindh out of which 20 Districts are announced as "Calamity affected areas". In pertinent to this, the updated assessment data shows that major damage has been caused by heavy rains and the precautionary steps have been taken by the relevant departments to mitigate further destruction in these areas.

The monsoon rains and subsequent flooding in different parts of Sindh have wreaked havoc with a total number of 14 deaths and 1,514 injuries across five districts of the Peoples' Poverty Reduction Program funded by the Government of Sindh.

Monsoon rainfalls which began from 25th of August damaged 247,839 households, 42,800 houses have been demolished, 14 Human losses, 100% crop destroyed in mentioned UCs, livestock: 2,553 out of which 1,690 Goats, 57 Donkeys, and 154 Buffalo death with 59,270 Households migration in these districts.

IMMEDIATE RELIEF AND REHABILITATION

The Rapid assessment is prepared by SRSO MER with help of Social Mobilization Team, LSO leaders and VO Leaders. These are so far reported figures. We will update on regular basis. The families affected are mostly migrated to either higher places or towards relatives: i.e. From Thatta to Kohistan, from Mirpurkhas and Umerkot Tharparker along with their animals.

Immediate needs of the community:

- 1- Tents/Shelter with Food items (Ration/Drinking Water).
- 2- Medicine/Medical treatment Camps for Humans
- 3- Animal vaccination, Fodder for Livestock

For Rehabilitation

- 1- compensation for houses
- 2- compensation for crops
- 3- support for Income Generating activities

Heavy Monsoon Spells have caused significant loss of Human loss, infrastructure, livestock and crops across the 20 districts of Sindh.

In addition, the rains are having a huge impact on education and health facilities also at community level specially in rural areas.

This educational loss causing untold damage to many schools, destroying books and other learning material,

The hospitals (BHU/RHC/THQ/Dispensaries/Marvi Markaz) are the first step for health recovery of these poorest to the poor people and this damages is huge loss because in the rainy season many disease are raised and this is unbearable loss.

As Educational institutes are going to open from 15th September so it is an important that we can get schools up and running and reopened as quickly as possible because school is the absolute best place for children to be right now.

School/Hospital	Badin	MPKs	Umerkot	Sanghar

IMMEDIATE NEEDS OF AFFECTEE

These are the needs on the basis of IRA Assessment

I. Response to emergency

Affected areas roads and crops are submerged in the rainwater most of the affected Population of the affected areas needs evacuation to safer places.

II. Shelter

Flood/Rainwater is standing in the villages, crops and houses. Most of the houses been demolished or near to demolish and affected population is forced to live under the open sky without basic health and hygiene facility.

II.I Need establishment of tent cities/IDP camps, temporary shelters for the affected population

III. Wash facilities

- Provision of safe drinking water (Hand Pumps)
- Installation of temporary toilets (Pit Latrine)
- Distribution of soaps for hand-washing
- Distribution of hygiene kits included sanitary-pads/mosquito-nets
- Distribution of water purifying tablets/sachets
- Repair of existing water sources
- Distribution of water storage/collection vessels
- Distribution of IEC material and impart hygiene awareness/education.
- Disease surveillance (especially water borne/related)

IV. Non Food Items (NFIs)

Rain/flood affected communities have lost their stocked food items. - There is an immediate need for household items (NFIs) support such as Bedding and floor mats, kitchen kits (sets), hygiene items (kits), jerry cane.

V. Health and Nutrition

Provision of cooked food and Ration for 15 days for each affected family. Milk and supplementary food item for children (under 3 years) and women (Pregnant and lactating mothers). There is a risk of water-borne diseases i.e. Malaria, typhoid, diarrhoea and water-borne skin diseases. People lost their stored food items wheat and rice they are facing a shortage of food which can lead them malnutrition. Need to arrange Medical Camps for health facilities.

بارشوں کے متاثرین کی بحالی کیلئے ہنگامی بنیادوں پر امداد کی اپیل

جیسا کہ آپ کے علم میں ہے کہ 2020 میں ہونے والی بارشوں کے دوران صوبہ سندھ سب سے زیادہ متاثر ہوا ہے جہاں لاکھوں افراد بے گھر ہو چکے ہیں، فصلیں تباہ ہو گئی ہیں، بیماریاں پھیل رہی ہیں، بھوک اور امراض سے درجنوں افراد جاں بحق ہو چکے ہیں۔ سیلابی بارشوں سے متاثرہ افراد اور خاندانوں نے سڑکوں پر ڈیرے ڈالے ہوئے ہیں

حکومت سندھ نے صوبے کے 20 شدید متاثرہ اضلاع کو آفت زدہ قرار دیا ہے، جن میں سے سندھ رورل سپورٹ آرگنائزیشن (SRSO) ان 5 اضلاع ٹھٹھہ، سانگھڑ، میرپور خاص، بدین اور عمرکوٹ میں موجود ہے۔

ابتدائی طور پر کئے جانے والے سروے میں ان 5 اضلاع میں بڑے پیمانے پر نقصانات کا انکشاف ہوا ہے اور ایک لاکھ ساٹھ ہزار (160,000) خاندانوں کے دس لاکھ (1,000,000) سے زائد افراد بری طرح متاثر ہوئے ہیں جبکہ تیس ہزار (30,000) سے زائد مکانات تباہ ہو چکے ہیں اور فصلیں تباہ ہو گئی ہیں۔ ان اضلاع میں مال مویشی کا نہ صرف نقصان ہوا ہے بلکہ کھانے پینے کی اشیاء کی بھی قلت پیدا ہو گئی ہے۔ اس افسوسناک صورت حال میں متاثرہ علاقوں میں ریلیف کے لئے خصوصی اقدامات کئے جا رہے ہیں اس سلسلے میں تمام اہل ثروت افراد اور تنظیموں سے اپیل ہے کہ وہ اس تکلیف کے لمحات میں اپنے بھائیوں کی مدد کریں اور زیادہ سے زیادہ عطیات جمع کرائیں
